

SAM Core Values

- **Leadership:** We believe that instructional leadership provided by school administrators is essential for empowering, inspiring, engaging, and helping students to grow, succeed, and lead.
- **Integrity & Professionalism:** We promote and demonstrate the highest level of integrity and professionalism, both organizationally and individually. We believe it is these traits that create the foundation vital for success.
- **Advocacy:** We serve as a united, proactive organization of educational leaders that advocate for State and National legislation to ensure Montana students will receive a quality education supported by adequate and sustainable funding. We strive to assure that all students have equal access, are safe and healthy, and will be successful.
- **Professional Learning & Services:** We believe that high quality professional development, mentorship, and supportive member services are critical to individual member and Montana student success.

SAM was organized as an association of administrators in 1970. It represents the interests, aspirations, and professional leadership of Montana administrators. Over 1000 members network under six affiliate associations to promote GREAT Montana Schools, supporting leaders passion for providing an outstanding education to Montana's children!

SAM Affiliate Organizations

SAM is comprised of six affiliate organizations each of which are divided regionally within its own organization. The regions provide an opportunity for members to gather on a local level to discuss topics of interest.

Montana Association of School Superintendents (MASS): Members of MASS serve as school superintendents, assistant superintendents, or other central office personnel who hold titles with line staffing equivalent to that of assistant superintendent.

Montana Association of Secondary School Principals (MASSP): Members of MASSP are engaged in the administration and supervision of secondary schools or teach courses in education at institutions of advanced learning.

Montana Association of Elementary and Middle School Principals (MAEMSP): Members of MAEMSP are employed in professional work related to the elementary and middle level principalship.

Montana Association of County School Superintendents (MACSS): MACSS members serve as liaisons between schools, the state and county governments and the taxpayer, as well as administer at the small stand-alone elementary school districts.

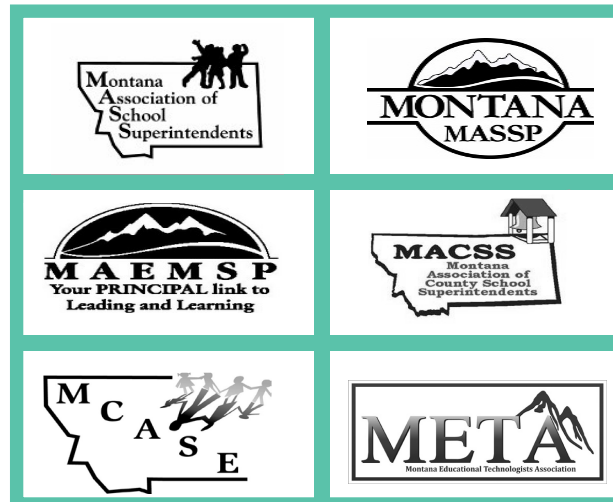

Montana Council of Administrators of Special Education (MCASE): Members of MCASE administer, direct, supervise, and/or coordinate a program, school or class of special education for exceptional children or are members of a college faculty whose major responsibility is the professional preparation of administrators of special education.

Montana Educational Technologists Association (META): META members are technologists united into a professional association advocating for and supporting the education of all Montana children.

SAM Learning Opportunities

SAM is proud to offer innovative professional learning opportunities to district and school leaders across Montana. The SAM Leaders Professional Learning Program (LPLP) is unlike any program available today. Launched in 2012, the LPLP provides a unique opportunity for those who register for the program to receive one-on-one coaching and innovative, student learning focused, blended professional learning opportunities while working with experienced, highly qualified Montana administrators.
