5	3	2	4			4	5		5			5	5	5	5	5	2	5	5	5	5	4	5	Please limit the business meeting time. Consider increasing the time we are able to spend with schools our size to discuss issues we are having and how we are addressing them.

3	5	4	3	4			4					5		4	4	4	5	4	5	5	2	3	5	4	Great conference! Enjoyed the sessions and working with colleagues. Great exhibitors, but breaks were taken up by sessions going over time, so I didn't get to spend as much time with them as I wanted. Please assign facilitators for all sessions to help sessions begin and end on time.
5	4	4	4			1	4		4			5	4	4	4	Did Not Attend	4	4	4	5	4	5	5	5	The break out sessions were timely and well done. The ACE and SEL sessions were particularly useful for me. Montana is fortunate to have so many wonderful professionals leading in their school. SAM and MASS have a lot to do with that.
4	3	4	4			4	2					5		3	4	3	5	4	4	5	5	4	4	5	Need decaffeinated coffee - even in the morning.
5	4	3	4	5			5	4						5	3	5	4	4	4	5	4	1	3	4	Can we please go back to the Northern Hotel. The Radisson has dirty rooms, some rooms have bed bugs and the facilities are much better at the Northern. I understand that The Northern got their wifi situation figured out so the vendors should be happy. I think the conference is better without META. They overcrowd us and we are enabling them into thinking that they are administrators which I think is unwise. Thank you for all your efforts, Eric Gustafson
4	3	3	4	4			4	3				3		4	4	Did Not Attend	3	4	4	4	5	5	5	3	Some of the breakout sessions, i.e. performing investigations, need more time. 45 min. is not enough for the presenters. Some subjects work well in the time frame, others do not. I felt there were limited choices for breakouts. This is a long way to go for many schools, almost 500 miles for me. This needs to be a valuable way to spend 2 days or it is not worth going to. My admin team quit going to MCEL for this reason and I am close on this conference as well.

4	4	4	4			3	5			4			4	3	3	4	4	4	4	5	2	4	4	4	The breakout session topics were great. The only problem is I had to leave some out because I picked others.

4	4	4	4	5			3							4	4	5	3	4	5	5	5	5	5	5	I was extremely impressed with the venue and location for the spring conference. I like the Radisson much better than the Great Northern. I very much liked the overall theme of the Conference as technology and cyber-security oriented. The opening session with information from the main "players" was terrific. We were exposed to straight from the horses mouth information that is of benefit to all administrators. Keep up the good work!!
