Greetings Superintendents of the L25 MT Cohort,

Thanks to all who were able to attend the AASA L25 MT Cohort Webinar on Thursday 9-28-23. The info has been updated on the [AASA L25 MT Cohort 2023-24](#) webpage (SAM website/Professional Learning tab/ AASA L25 MT Cohort 2023-24 drop down). Great discussions and progress were shared by our Cohort member districts. The [Webinar Recording](#) and [Agenda](#) (with links to info) are here for your convenient access.

For your consideration ...

- 10-5-23 -- AASA Learning 2025 Professional Learning Series: Future Ready Strategies. As a member of the L25 MT Cohort you are invited to attend this Webinar from 2:00 - 3:00 pm MDT by registering [HERE](#).
- Reminder to Register your district team for the AASA Cohort of your choice. The [LINK](#) will provide you background on the 12 AASA Cohorts in operation and you can register right on that form. As a member of the L25 MT Cohort you receive one complimentary registration to any of the Cohorts. In the specific email to your district on 9-22-23, I provided you with an overview of the 'Areas to Accomplish' as outlined by your district and made recommendations to you for 'AASA Cohorts' that would align with your areas to accomplish. Please check this out and get registered for a Cohort if you haven't already done so.
- The [AASA L25 Network Happenings - Week of 9-26-23](#) link provides you with access to Leadership Toolkits that are contemporary to the needs of our district and school leaders. These toolkits were discussed during our L25 MT Cohort Webinar last Thursday and believe that these tools may be valuable for your use. Here are direct links to these tools for your review ...
  - [Becoming a More Resilient Leader](#)
  - [Becoming a More Nimble Leader](#)
  - [Becoming a More Resonant Leader](#)
- SAM and SAM LPLP resources that you may consider ...
  - Check out Rob's Desk! - Quick Links to Contemporary Issues being updated regularly the [SAM website](#).
  - The L25 MT Cohort districts have access to the member resources of the [SAM Leaders Professional Learning Program](#). This includes engagement opportunities, SAM Webinar Series (2nd Thursday of each month @10:00 am), SAM LPLP Quarterly Huddles (next one is Thursday, November 16 @10:00am), and timely resources for school and district leaders. *Thanks SAM for your partnership with the AASA L25 MT Cohort.*

Remember that I'm available to you to assist you in the implementation of your areas to accomplish and any other discussion that would be of value to you. Please contact me -- [kjmleadership@gmail.com](mailto:kjmleadership@gmail.com) or 406-581-1037.

All the best moving Forward to the Future!

Kirk
