Seasons Greetings Superintendents of the L25 MT Cohort,

During this wonderful and extremely busy time of year for our schools and school leaders, this is just a brief update for our L25 MT Cohort. The [AASA L25 MT Cohort 2023-24](#) webpage (SAM website/Professional Learning tab/ AASA L25 MT Cohort 2023-24 drop down) is updated regularly for your review. This email Update will be posted for your easy access.

Thanks to our MT Cohort members who have been able to connect with the **AASA Cohorts** as part of the benefit for being L25 MT Cohort members. It is not too late to get involved with the AASA cohorts. Here is info on how you can still register for a cohort that will help you and your district stretch to reach your goals...

- As a benefit of participation in the AASA L25 MT Cohort Learning 2025 your district receives complimentary membership in one of AASA's cohorts to join (value of \$2000/\$2500). Click [HERE](#) to see L25 MT Cohort Districts who have registered for one of the dozen AASA Cohorts. Once you submit your form, AASA will register the superintendent or listed designee, and he or she will start receiving information from that cohort's program lead. If you haven't done so already, please join an AASA Cohort to benefit your school progress

2023-24 AASA Learning 2025 Network Cohort Choice

LEARNING 2025 SUMMER SUMMIT - AASA Learning 2025 Network is pleased to announce the SUMMER SUMMIT! We are partnering with the Model Schools Conference this year on June 23-26 in Orlando, FL. At that time, Learning 2025 Demonstration Systems will gather for our Summer Summit. The Pre-conference on Sunday, June 23, is dedicated to Learning 2025 teams. Attendees will have access to all Model Schools Conference sessions with facilitated opportunities to convene and reflect throughout the Conference at a dedicated Learning 2025 meeting space. In talking with Dr. Bill Daggett this week, he is emphasizing that this Summit is intended for school teams from boardroom to classroom to attend together to work to build the education opportunities for your students. Please plan to attend and have your team attend!

Registration for you and your team (as part of our L25 MT Cohort) is now open through the [regular MSC process](#)-- Learning 2025 Network members receive 25% off registration using discount code **AASALearning25!**

I'm planning for our next **L25 MT Cohort Webinar** for Thursday, February 1, 2024 from 10:00-11:00 am (a change from the scheduled January 25 Webinar). Dr. Bill Daggett will be sharing with our Cohort the latest in Transforming Education and the progress made over the past few months. I hope you will mark your calendars to attend this Webinar. More info will be provided in our January Update.

Thanks you for your great work to engage your students in learner-centered, future-focused, innovative learning and being in our L25 MT Cohort! If you need something give me a call/text [406-581-1037] or email [kjmleadership@gmail.com] and I will follow up with you! Wishing you a Merry Christmas and Happy Holiday Season with family and friends!

Kirk
