Superintendents of our L25 MT Cohort, congrats on the fantastic opening of your schools for the 2023-34 school year!

This Update is to give you the most important information for getting our Cohort off to a great start for 2023-24!

All information about the AASA L25 MT Cohort will be placed on the new [AASA L25 MT Cohort 2023-24](#) webpage (SAM website/Professional Learning tab/ AASA L25 MT Cohort 2023-24 drop down) for your convenient reference (you may want to bookmark this page). This webpage has the contact list for all members of our L25 MT Cohort which you may find useful in communicating with each other. Note that all correspondence and communications (like this email Update, and the AASA L25 Network Happenings weekly update) for our work will be uploaded to the webpage. The [AASA L25 website](#) and [Forward to the Future](#) are links to all of the benefits and opportunities our L25 MT Cohort districts will receive in 2023-24.

### Important 2023-24 Considerations for your Calendar

**Webinar meetings of the AASA L25 MT Cohort** will take place monthly in order for our MT districts to meet, network, and discuss the progress. The results of polling indicate the **4th Thursday of the month, 10:00 - 11:00 am! Please mark your calendars for these dates and time beginning with Thursday, September 28 at 10:00 am** (a calendar invite will be sent to the L25 MT Cohort a week prior to the 4th Thursday with an agenda and Zoom call info). Our September Zoom Webinar will be all about connecting you to resources to help you with the work you want to accomplish for your students and schools.

**Please join an AASA Cohort as part of your L25 membership;** second cohort reduced participation fee. **You should do this as soon as possible so that you and your team can join in this networking professional development.** Currently, L25 MT Cohort districts Evergreen and Whitehall have registered for the Redefining Ready Cohort, and Hardin for the Mental Health Cohort. Below is a link for each cohort's webpage to help you learn about them and choose one. **Once you submit your form, we will register the superintendent or listed designee, and he or she will start receiving information from that cohort's program lead.**

To increase personal connections, deeper dives into your work, and to see firsthand exemplars, AASA are offering the following as part of your L25 MT Cohort participation that you may consider for your calendar:

- AASA L25 Network [Monthly Virtual Learning Series](#): First Thursday each month, 4-5:30 pm Eastern (2-3:30 pm Mountain); open to all L25 leads and their teams.
- [2023-24 L25 In-Person Events Calendar](#): Describes all of the opportunities you have to participate in connections to assist you with the work in your district. October 16 is the first Summit in Mansfield TX with theme [Redefining Ready](#) (the link will allow you to register).

If you would like to discuss any of the information in this update, or you need access to further resources through our AASA L25 MT Cohort, please contact me -- [kjmleadership@gmail.com](mailto:kjmleadership@gmail.com) or 406-581-1037. Remember, I'm the ghost buster to help connect you with what you need in the most expedient way!

Please reach out to me if you are wanting to discuss your school district goals for 2023-24 and how L25 resources may help you. I'm here for you and that discussion.

Hope you have a relaxing Labor Day weekend. Forward to the Future! Thanks for engaging in the AASA L25 MT Cohort!

Kirk
