### [Watch Beacons of Hope - Part 2](#)

An alliance of 34 public school districts, the Western Pennsylvania Learning 2025 Alliance, advances student-centered, equity-focused, future-driven school systems that prepare every learner for tomorrow. Co-led by Pittsburgh-area superintendents and AASA, the School Superintendents Association, the Alliance convenes for workshops and professional development facilitated by world-class experts. With support from The Grable Foundation, these 34 districts are reimagining education and showing the world what school could be.

### Our Mission/Our Commitment

*The LEARNING 2025 leadership team and strategic mentors engage communities, staff, and boards in discussions about strategies to address existing and perceived barriers to district transformation. Many of the challenges we face are not problems that have an obvious or quick answer; rather, they are challenges, conundrums, and polarities that need to be navigated. We are committed to involving all stakeholders in identifying, managing, and breaking those barriers so that leaders can focus on the whole system.*
