CASE News

The **Harrie M. Selznick CASE Distinguished Service Award** was instituted for recognition of individuals who have been career-long leaders in the administration of special education programs. The intended recipients of the award are individuals who have made significant contributions to the field over extended professional careers. The Harrie M. Selznick Award is the highest CASE honor, and it is accompanied by a cash award. Nominees **must be a current member of CASE**. Note the winner of this award will be nominated by CASE for the **CEC J.E. Wallace Wallin Special Education Lifetime Achievement Award**.

The award is named after Harrie M. Selznick who served as the first Executive Director of the Council of Administrators of Special Education, a post he held from 1973-1983. He served CASE in many roles throughout his long, distinguished career.

Endorsements

Under Dr. Selznick's leadership, CASE became incorporated as a professional education association and grew from 223 members to 3600, while its subdivisions grew from none to 28. It was under Dr. Selznick's leadership that CASE was first consulted at the federal level for input on national public policy in the U.S. The number of persons touched by Dr. Selznick's personal attention regarding professional assistance is beyond estimation. His influence is still felt today through a vibrant CASE organization, which would have made him proud. CASE honors him by naming the most prestigious award after him.

The **CASE Outstanding Administrator of Special Education Award** was instituted for recognition of individuals

making significant professional contributions to leadership behavior and field practice in the administration of programs for students with disabilities and/or who are gifted. Nominees for this award must have had ten (10) years experience in the field of special education. Nominees **must be a current member of CASE**.
