Greetings L25 MT Cohort Superintendents!

I hope you are doing well as I know you are so busy during springtime in our profession. Stay strong this month of bringing the school year to a successful end while planning deeply for the 2024-25 school year. Keep up the great work you are doing for the students you serve in your community. I hope you will take a few minutes to review our L25 MT Cohort information to help with your planning for the 2024-25 school year ...

Just a reminder, that you and your district team continue to have access to all of the AASA Learning 2025 resources and services through the end of December 2024, per our 2 year agreement with SAM. I will be meeting with SAM (Dr. Watson) and AASA Leadership of Learning 2025 to determine what opportunities will continue to be offered to Montana school districts and superintendents for 2025 and beyond. I will keep you informed as those opportunities are determined.

### 2024-25 AASA Cohorts/Consortium ...

AASA Learning 2025 resources and services continue through the end of December 2024, per our 2 year agreement with SAM. That means you can sign up for the AASA L25 Cohort groups for 2024-25. ### June National Conferences - Professional Learning available to our L25 MT Cohort teams ...
