Thanks to all of our cohort members who were able to join the Webinar, "A Spotlight on Ellen Galinsky and Executive Functioning". A great discussion ensued from members of our cohort delving into the work that Ellen presented. The resources from this webinar have been uploaded to the [AASA L25 MT Cohort 2023-24 webpage](#) (SAM website/Professional Learning tab/ AASA L25 MT Cohort 2023-24 drop down) and are copied below for your direct access. Note that Ellen's contact information is on the last slides in the PPT deck if you wish to follow up with her. Also, the [The Breakthrough Years - My Question to You form](#) is an easy way to provide feedback to Ellen.

Given your busy spring schedule, I will forgo our L25 MT Cohort May webinar unless there is a request for seeking a key presentation to assist you with your work. If you want access to a presentation or AASA resources please email (or call) me directly and I will see about getting the resources to you or seeking a May webinar.

[AASA L25 Network Happenings - Week of 4-23-24](#) provides you access to the registration materials for the AASA Learning 2025 June Conferences where our cohort would receive discounts for taking your team to either the Model Schools Conference (June 23-26 in Orlando, FL) or the Future-Focused Schools Conference (June 24-26 in Washington DC). Both opportunities are fully described in the info with links to registration for your team. If you plan to attend either of these conferences let me know so I can assist if you need something.

I wish you success with upcoming school elections, your budget development for 2024-25 and great spring interaction with your community. Please don't hesitate to reach out if I can be of assistance to you.

Best to you for the remainder of the school year !

Kirk
