Core Purpose Statement

Core purpose is the association's fundamental reason for being. An effective purpose reflects the importance people attach to the association's work—it taps their idealistic motivations—and gets at the deeper reasons for a particular association's existence. Ensure that the Core Purpose captures what participants believe to be MASSP's unique and specific reason for being.

Core Values

Core values are the association's essential and enduring tenets—a small set of timeless guiding principles or behavioral characteristics that require no external justification; they have *intrinsic* value and importance to those inside the program. Core values articulate how we conduct ourselves as we pursue our Core Purpose

Envisioned Future
Big Audacious Goal and Vivid Descriptions

Building the envisioned future requires both a Big Audacious Goal, providing an overall description of the intended description of the world as changed by MASSP's efforts and vivid descriptions of success. The envisioned future needs to be bold, yet believable and reachable, but only as a tough stretch, requiring an immense amount of effort and a good dose of good luck.
