

MASSP Region 1 Principal Meeting – Wednesday, December 9, 2020 – Google Hangout – 10:00am

or Members Present - _____ # of Members Absent - _____

-When you come into the school, just check in at the main office, and the secretary will direct you

AGENDA

- Introductions – Name, school you work at, current position, how long you’ve been in your current position.
- SAM Legislative Network – this year may be the most important year for education that any of us have ever faced. What it looks like.
- Principal of the Year Nominations? Anybody make any? Due December 18th to the state. We currently have two nominations, one would not qualify for the state competition. I would hope we could get more. I shared Google form to nominate and fill out. Want to have candidates out for vote by this Friday so we can make a recommendation to the state. If you nominate somebody right now, I’ll do the leg work on getting information about them. I sent this out to all your/our superintendents and none of them have even responded. Not sure what to think there?

Statewide Principal’s Conference – virtual, January 24/25th, [**Click HERE to Register as an Attendee**](#) tried to schedule sessions in the morning

- Treasurers Report – Andrew Fors, Polson High School Principal – scholarship fund dues, balance.
- Regional Director – Any interest in taking this over? I am President Elect of MASSP and they’re wanting to split up those duties.
- Remote Learners – This was a requested agenda item. I’m hearing remote learners are struggling mightily in many, if not all districts. Is there any sort of intervention in place, or plan to help those students who are failing/falling behind regain credits/learn material they may have missed?
- Synchronous/Asynchronous Learners – For remote learners, have any schools made the move or committed to strictly synchronous learning? If so, what did that process look like? How did you roll that out to students and parents?
- Running question for everybody – What things are being done at the school level to prevent teacher burnout? Anybody running into teachers who’ve had enough and think they’re going to be done after this year?

- Lastly – What are you doing for self-care? How can we help ourselves? Is there something we can do to support each other in these trying times?
Mental/Physical/Other Stuff? I started following FIT Leaders on Twitter, Ryan B. Jackson...it's essentially a countrywide motivational workout group.
- Scholarship – will send out those applications in the Spring. Criteria: attend one of these meetings, and have paid dues.
- Anything else for the good of the order?
- Items to talk about at the next meeting. Any guest speakers we would like to bring in to our meetings?
- Next Meeting Date and Place –
