Overall METAtechED 2019 Rating	5	5	Rooms were cold	5	5		5	I won a TV
Overall METAtechED 2019 Rating			It would be nice to have META members teach classes on th8nks like Imaging with FOG, varuous types of setups with interactive panel, Gsuite admin,etc. I appreciate the vedors but most of the presentations were vendor doing sales presentations. I would like a keynote on something like maker spaces , etc. Vendors were excellent. Foos was subpar.
