

MONTANA CARES Launch Kit

(1) Welcome Students

Electronically share student flyer with student training video

(2) Students Watch the Video

This can be a schoolwide event, classroom event, or both. Link included in the student flyer

3 Download and Activate Montana Cares

Encourage students to download and activate Montana Cares on their devices

4 Share Welcome Email and Video with Parents/Guardians

Encourage Parents/Guardians to watch the welcome video and download and activate Montana Cares on their device

Best Practices

- Send your Staff/Faculty the welcome email introducing Montana Cares. Staff video included in email template
- Add Montana Cares information to your District/School websites
- Your launch can be a schoolwide event, a classroom event, or both!
- · Students should follow along with our student training video and activate the app
