4	5	3	5	5	5	I like the idea. Hope we can try more than once. We don't make decisions on student progress with one test. At least I hope not.	We moved the conference to accommodate high school principals. Unfortunately, they did not show up. Lets try January.

						John was fabulous but it was difficult to sit for 2 hours. Would have been nice to move the break.	
5	5	3	5	5	4	Loved the breakout/questions session. That was perfect! It was interactive!	
5	5	5	5	1	5	So far so good.	If there could be a snack and beverage that was a bit more healthy, no sugar added option, that would be nice. I really appreciated the gesture.
5	5	5	5	5	5	I liked it - it doesn't seem any different for the pre-conference.	I would love to see this conference earlier in the year - maybe January.
4	4	4	5	4	4	Would like to see more high school (MASSP) participation.	Speaker was very inspirational. A little scattered at first, but once he dialed in he was great.

						I prefer to have content that is targeted to elementary and middle school, but I understand the need to consolidate to save costs. Wondering if the breakouts could be split for different levels after the general K-12 sessions?	See above.

5	4	4	4	5	4	A bit longer break than 15 minutes would be nice. Hard to sit so long.	
5	5	4	4	4	5	Seemed to work out great at preconference.	Thanks for all of your hard work in organizing a great event.
						Awesome!!! John was great!! Those that didn't attend really missed out. Thanks for all the work that goes into putting this on.

						I love that we are all together, allowing us to collaborate and network. It is hard though for districts to have all administrators out of the district at the same time.

5	5	5	5	5	5	Excellent conference - great facility	
						As a K-12 Principal, I really enjoyed the joint conference and the topics that were applicable to all levels of educational leadership.

4			5	5	5	I liked having a joint conference.	
5	5	4	5	5	5	I thought it was fine. It was nice to get to see and know some of the high school principals.	Keep the quality of people you had this time around. Great work!

						I enjoyed the combined conference. I appreciated being able to share thoughts and ideas from the different perspectives. My secondary principal and I were able to have many collaborative conversations. I think with the small schools throughout our state, it is important to acknowledge that some principals are both elementary and secondary in their district. This was a chance to visit with both levels at one conference.	The conference would have to continue to be after the winter sports season for the Secondary Principals to attend.

4	5	3	3	4	5	I enjoyed the joint conference format and would like to see us try it again next year.	The quality of speakers this year was phenomenal. Gary Brooks was outstanding. I love the humor piece along with the valuable insight he shared. You can never go wrong by bringing in some humor. I think the conference should be in Helena next year for a location.
5	5	5	5	5	5	I like being able to travel with my Elementary Principal, so we can plan things for the entire District. Plus, you can get better speakers when you combine funds.

5	5	4	5	5	5	Loved Gerry Brooks the most of all presenters!	Great location!
4	5	4	5	5	5	Need more principals.	Offer scholarship or discount for a few principals who don't attend due to the costs
4	4	5	5	5	5	I really enjoyed the joint conference - it was great to collaborate with all principals.	I would suggest that if we continue to have the joint conference - I strongly suggest we do - we have at the end of January.
